Dear Selectmen:

The Friends of the Acton Libraries are happy to report that book donations are up considerably. This has been wonderful for the Book Sales but it also poses a problem; we actually have too many books to store in between sales, particularly small, mass market paperbacks. We are therefore requesting permission to have an extra, mini-book sale on Saturday, September 18, 2004 from 9AM to 3PM.

We would only sell about 4 tables of paperbacks. We would like to hold this sale on the library front lawn, but there will of course be no tent. We will take a much smaller area than the big June Sale and expect little impact on the lawn. As you know, these sales benefit our school and town libraries.

Thank you so much for considering this request. If you have any questions, I can be reached during the day at 263-5943.

Sincerely,

Deena Ferrara
President
Friends of the Acton Libraries
